

Dog Days of Summer Flyball Tournament 2018

Welcome to the Forth Annual Dog Days of Summer Tournament. We are excited to have you joining us!

The Broadway Recreation Center is a wonderful facility with some amazing history. The BRC suffered MAJOR damage to the gymnasium just a few years ago, when the area flooded during a monsoon thunderstorm. Everything from ground up including the floor, new bleachers, new basketball hoops, new paint, new matting on the walls and new lights are very special to them. They take a lot of pride in this facility.

The Broadway Recreation Center is the home of Arizona Disabled Sports.

The Broadway Recreation Center has a very long history as a gymnasium in the East Valley. It was built in 1961 as the gym to Mesa High until the high school burnt down in 1967. The gym was one of the only buildings left standing. We are excited to offer flyball in this venue.

The Broadway Recreation Center and it's surrounding property are NON – SMOKING!

FOR THE MOST UP TO DATE INFO PLEASE FOLLOW OUR EVENT PAGE ON FACEBOOK

Judges:

Our judge for the weekend is Steve Heine, Karla Ruetz and Gwen Ahlbrecht

Set Up:

Since we are all crating on the gymnasium floor, we have decided to assign crating locations. We will be following the NAFA guidelines of a 10 x 10 space per line up entered. Everything is fairly close so, your location is not going to be more or less relevant to the access of the lanes, potty area, etc. We do ask that you bring tarps to lie under your crates for additional protection for the floor. We will be allowing set up Friday this year at 4:30pm til 6pm (we MUST be out by 6pm) if you would like to come and take advantage of this time please do.

Special Notes: IMPORTANT TO SHARE WITH YOUR TEAM

The entire gym floor will have a heavy gauge tarp over it. We ask that if you have additional ground cover to please bring and lay it under your dogs kennel areas.

There is to be **NO UNCONTAINED WATER** or food allowed on the gymnasium floor. Water that is in bottles or very small amounts in a bowl can be in your dogs kennels. The rest of the water can be kept in the locker rooms (right off the racing lanes) where you can leave your team water and allow your dogs to lap up all the water they want :)

Food:

You are welcome to bring in ANY food you want. Our tournament page lists some places in the area that will deliver. Food **is not** allowed on the gymnasium floor. You can eat and drink ANYWHERE else you want. There will be a quiet room and the lobby available for eating areas. This year we will have Reef's Kitchen (by popular demand from a Crazy Train Tournament) ... serving up food both days.

Potty Area:

Potty Area will be designated. It is a mostly shaded area outside that consists of gravel. if you can keep this area as tidy as possible that would be wonderful. Please pick up after your dogs.

Hot, Hot, Hot!!!

When leaving at the end of the day please take **WARNING** of the very hot surface to walk your dogs on. We will have K9 Outlaws team members available to hold your dogs as you pull up to load. Again please do not walk your dogs on the extremely hot concrete or asphalt when you leave. Ouch!!!

Red Light Bucket:

What is the Red Light Bucket? For every red light that you or your teammates incur, we ask that you make a small monetary donation to the Red Light Bucket. Funds collected over the weekend will be donated to the Arizona Disabled Sports (Saturday) and Pawsitive Friendships (Sunday) . Bring a roll of quarters with you (or all of that change you have accumulating) and let's "pay" for all our red lights while raising money for two great causes!

Raffle:

We will be offer a raffle full of lots of fun items on Saturday ONLY. Watch the event page for items!!!

Vendors:

Follow us on our event page for all information about our vendors. Malinda with Pawsitive Impressions will be on sight once again for all your shopping needs.
